

THE PRAYER LETTER

Joshua, in the first chapter, is told by God to be strong and courageous. Four times. FOUR TIMES! Joshua wasn't thick in the head, was he? But that is how important courage had to be to Joshua at that time. And I have come to believe that courage normally shows up in the face of impossible (to man) challenges. For Joshua it was to fill the giant shoes of his predecessor, for us here at Youthworx, courage is to keep going strong and with purpose in spite of resource challenges. We are grateful and are continuously humbled and blessed by the courage that you- our partners- portray when you put aside time to pray and provide for us the team and for the work that God is doing here in Kampala and around the country. We salute you!

Eugene, On behalf of the Team.

Prayer Needs.

Ian : Over the last couple of days I have attended a leadership retreat for KIC to help resolve various conflicts that have come up in the leadership. This was led by a team from His People Church in Johannesburg. Please pray that the good progress we made to bring resolution will continue.

I want to thank God for the safe passage He provided while in Kenya last week.

Colin: We want to keep praying for the new work developing in Karamoja region. Two weeks ago I made a return trip there.

Please pray for Chloe, our new daughter and for Lynete as she recovers. Pray for me too as I adjust to the new challenges of a bigger family

- Eugene:
- Lots of training in the next few weeks in Hoima and Masindi districts.
 - Please pray for my family, especially mother as she mourns the passing of Granma.
 - For most of next week, I will be away in Soroti and Eastern Uganda with a team of ministers from that region. Please pray for all the young people that will show up.

- Winnie:
- I have been sick at least every month since the year began, so pray for my health For Financial security and provision...and wisdom too.

General Prayer Needs:

We will soon be hosting David Cornell for two weeks as he comes back to link with us and also spend time with the MAF Staff (Mission Aviation Fellowship).

Christoph Westercamp might also be joining us for the month of August (From New Wine, Netherlands).

Engage; a quarterly event organised by KAYNET (Kampala Youthworker's Network) will be running on the 6th of June. We pray that the topics to be discussed will be beneficial to the youthworkers.

Being a small team with limited resources (both human and otherwise) pray that the team is able to carry out all the work and still maintain its energies.
