

YOUTHWORX EAST AFRICA NEWSLETTER

Merry Christmas & Happy New Year

We would like to thank our dear partners in the UK for the support that they have offered YOUTHWORX EAST AFRICA this past year.

Your contribution has allowed YEA to accomplish many things in the lives of the young people we have been able to visit for the glory of God.

Working with the local churches in the districts of Iganga, Hoima, Fort Portal, Soroti and Amuria has given us the ability to train young people to be trainers and leaders of their various church youth groups.

Being able to touch these lives with the word of God and guide them in their Christian walk is something that would not have happened without your support.

On behalf of KAMPALA YOUTH WORKERS NETWORK-(through which we have been able to widen the network to include more young people in different churches and Christian colleges.)

We would like to thank you so much for your support through out the year

As a network we were also able to attend a conference where we met youth from different countries who were inspired by the idea of a network and decided that they too would work on starting one in their countries.

It was also at this conference that we were able to collectively consider the idea of having a region-wide network.

Greetings and thanks also go out from Collin and Richard who are working with the Baptist Churches in Southern Uganda including the districts of Kisoro and Kabale as well as Kiboga and Mityana; touching lives of over 2500 young people!

As the YEA team we are grateful for the honour of doing God's work and impacting the spiritual and social lives of young people in East, South and Central Uganda; work we wouldn't have been able to do without your support. God richly bless you in this New Year.
